Subject: Notification of the progress of raw material storage accident at Map Ta Phut Tank Terminal Company Limited.

To: The President
The Stock Exchange of Thailand

Regarding to the incident of flame eruption near storage tanks at Map Ta Phut Tank Terminal Company Limited, Rayong, on October 26, 2021, Qualitech Public Company Limited (the "Company") had been providing maintenance services for such storage tanks by subcontracting the services to D.N.A. Service Limited Company. During the services, the fire accident erupted and caused 3 deaths and 2 severely injured.

At present, the Company was informed of the allegations from the police at Map Ta Phut Police Station regarding the violation of the law of the Department of Labour Protection and Welfare in the offense of negligence causing the death of another person. The criminal case is pending while the prosecutor submits an indictment for the offense according to The Ministerial Regulations prescribing standards for the administration, management and operation of occupational safety, health and environment at work. This is according to Hazardous Chemicals B.E. 2556, Clause 30 for employers to use measures to eliminate or control engineering hazardous chemicals and environmental management in order to reduce the concentration of hazardous chemicals not to exceed the aforementioned limits. The company is currently waiting for official announcement from the Rayong Prosecutor. When there is progress, the company will clarify further.

Please be informed accordingly.

Yours sincerely,

(Mr.Sannpat Rattakham)

Chairman of the Executive Committee
